

Addendum to Brewer Truth in Testimony Disclosure for May 27, 2021 House Select Committee Hearing on Modernization of Congress

Additional information for the following question regarding foreign funding:

Please list any contracts, grants, or payments originating with a foreign government and related to the hearing's subject that you or the organization(s) you represent have received in the past thirty-six months from the date of the hearing. Include the amount and country of origin of each contractor payment.

Following is information on funds received by European Research Consortium on Informatics and Telematics (ERCIM), W3C's European Co-host, for related work to my testimony. These funds are neither administered by W3C at MIT, nor directly available for work conducted through W3C at MIT.

1. Web Accessibility Initiative - Advanced Decision Support Tools for Scalable Web Accessibility Assessments (WAI-Tools) Project, a European Commission (EC) co-funded project, Horizon 2020 Program (780057): Approximately \$600,000 for the 39-month period ending January 2021.
2. Web Accessibility Initiative - Authoritative Implementation Guidance and International Cooperation to Support Training, Awareness Raising, and Capacity Building (WAI-Guide) Project, a European Commission (EC) co-funded project, Horizon 2020 Program (822245). Approximately \$1,500,000 for the period from January 2019 to December 2021.
3. Web Accessibility Initiative - Communities of Practice (WAI-CooP) Project, a European Commission (EC) co-funded project, Horizon 2020 Program (101004794). Approximately \$500,000 for the period from January 21 through December 2023.

This information is true to the best of my knowledge.
